Summer Deferment

You can also research article Under MCL 211.51 & Act 24 of 2005 section 51, property taxpayers may defer until *February 14th*, without penalty or interest, the due date of their summer taxes on their homestead. If their household income for the preceding calendar year did not exceed **\$40,000** and they are:

- A. 62 years of age or older, including the unmarried surviving spouse of a person who was 62 years of age or older at the time of death;
- B. A paraplegic or quadriplegic;
- C. An eligible serviceperson, eligible veteran, or their eligible widow or widower;
- D. A blind person; or
- E. A totally and permanently disabled person.
- F. An eligible serviceman, eligible veteran, or their eligible widow or widower;
- G. A Blind person; or

- H. A totally and permanently disabled person.

Property that is classified or used as agricultural property, may qualify if the gross receipts of the farming operations are not less than the household income of the owner in the previous year.

This deferral means you must pay the taxes, but can wait until February 14th without paying any interest or penalty. Persons applying for a deferral must certify that they qualify for the deferral on a deferral form obtained from the Treasurer's office or on the township website. This form must be completed and filed with the Township by September 14th of each year to receive the deferral.
