AFFIDAVIT

I agree the statements made above are true, and if found not to be true any approval will be void. I understand that this is only a parcel division which conveys only certain rights under the township land division and zoning ordinances and the State Land Division Act and does not include any representation or conveyance of rights in any other statute, building code zoning ordinance, deed restriction or other property rights.

I understand that approval of divisions under the Land Division Act does not guarantee suitability of any division of land for any specific purpose, including use as a building site.

I understand that this application will not be complete until any required variances from zoning ordinance are obtained and a copy of the decision made part of this application.

Transfer of ownership by deed, land contract, or qualified lease may be necessary before the state recognizes a division has been made.

I understand that conditional approvals will be revoked if all required materials for final approval are not submitted within ninety days of conditional approval. I understand that if this proposed division plan is denied, I may reapply with modifications of my original plan without additional township fee, for six months after my original application date.
